EXPERIENCE

Codsoft

Nov 2023 – Dec 2023

Web Development Intern (Remote)

- Developed static and interactive web pages using HTML, CSS, and JavaScript.
- Enhanced skills in website structuring, styling, and responsive design.

Techoctanet Services Pvt Ltd

May 2024 – Jun 2024

Web Development Intern (Remote)

- Created responsive websites with modern layouts and user-friendly design.
- Strengthened practical knowledge of front-end development techniques.

PROJECTS

• Weather App 🌤️

HTML, CSS, JavaScript

- Built a responsive weather application that displays real-time temperature, humidity, and weather conditions using a public API.
- Integrated city-based search, condition icons, and adaptive layout to deliver a seamless experience on all screen sizes.

• Resume Builder 📄

HTML, CSS, JavaScript

- Developed a resume builder that allows users to input career details and instantly generate formatted resumes with live preview.
- Included features like downloadable PDF export, pre-designed templates, and responsive formatting for easy use.

• Travel Website 🌍

HTML, CSS, JavaScript

- Designed a visually rich travel website offering destination overviews, travel itineraries, and booking-related pages.
- Focused on layout aesthetics and responsive design, ensuring smooth browsing on both desktop and mobile screens.
